Any corrections that may need to be done to your Filing Receipt should be directed to:

- If your application was submitted under 37 CFR 1.10, your filing date should be the "date in" found on the Express Mail label. If there is a discrepancy, you should submit a request for a corrected Filing Receipt along with a copy of the Express Mail label showing the "date in".
- The docket number allows a maximum of 25 characters.
- The title may be truncated if it consists of more than 600 characters (letters and spaces combined).
- The words "new", "improved", "improvements in" or "relating to" are not included as first words in the title of an application because a patent application, by nature, is a new idea or improvement.
- The articles such as "a", "an" and "the" are not included as the first words in the title of an application. They are considered to be unnecessary to the understanding of the title.

PLEASE NOTE the following information about the Filing Receipt:

U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b). If a license is desired before the expiration of 6 months from the filing date of the application, if 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).

NO license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, unless the filing date of this application is later than the effective date of current regulations.

NOT GRANTED

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations concerning export to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Foreign Assets Control, Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Defense Trade Controls, especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Defense Trade Controls, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related application(s) filed under 36 CFR 1.53(d). This license is not retroactive.

37 CFR 5.13 or 5.14. This license is to be retained by the licensee and may be used at any time on or after the effective date of a license issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The license has been issued under 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless set forth in 37 CFR 5.15. The conditions for issuance of a license have been met, regardless of whether or not a license may be required as the conditions for issuance of a license have been met. Such licenses are issued in all applications where LICENSE FOR GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the application has been granted under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" follows the date of issue of the license.

GRANTED

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**
